News happen which caused the failure of SNR .

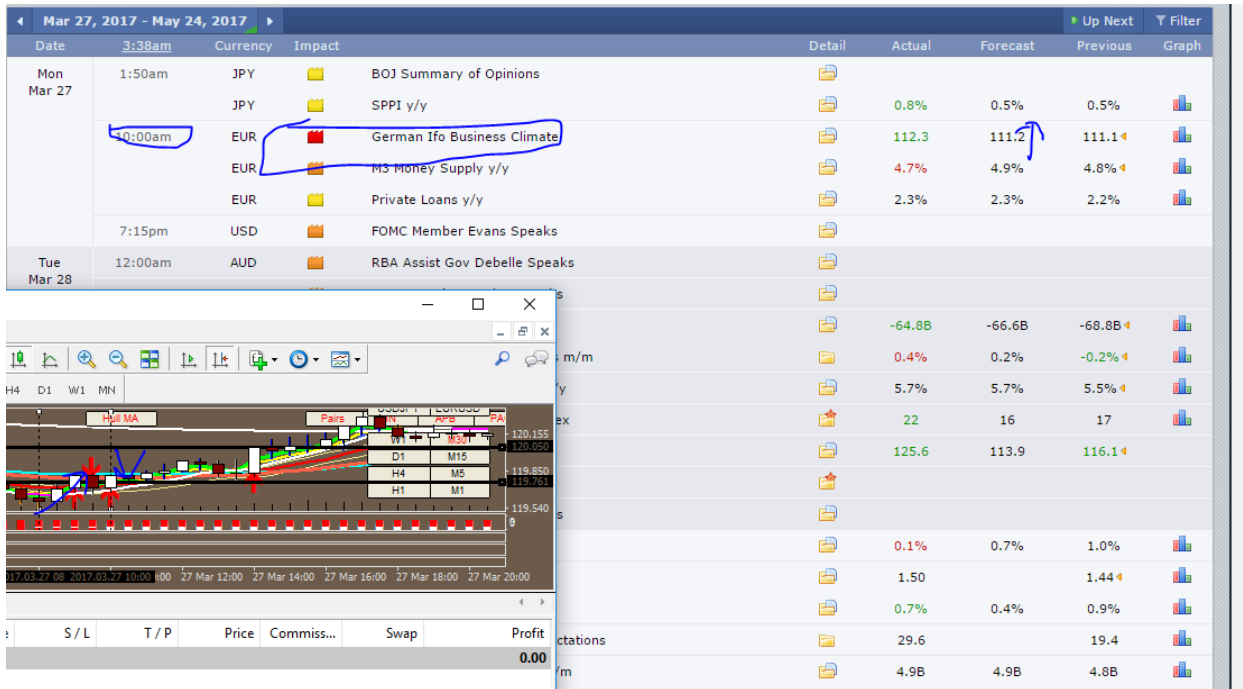

2/5 – Forget it .

5/5 TP where the edge of box is , remember red news

BUY the fact b4 the news follow the prediction ,Sell the Rumor when the news start ! with SNR applied .

2hours after the dust news , should be good with technical . 4/5

At 12pm it says usd will drop in 4hours, so we follow to short usd buy EUR!!!!

When the news appear on 4pm , where we can scalp the short at SNR TnC apply .

Thanks.

10 pages for the day , back to real life , see you guys . Cheers .
